

Attention Parents of Preschoolers

We have had to Divide & Conquer our growing problem!!!

Be aware it is a good problem

Beginning This Sunday February 5, 2012 we will have another small improvement to the Preschool program:

Upon arrival you will check in 3 yr old - Kindergarten at the preschool registration on the first floor. Your child will receive a color coded arm band, and then you will hang their coat up on hooks and proceed upstairs. (3&4 yr old classes are down the North hall) and (5&6 yr old classes are down the East hall).

At the end of service you will *go back upstairs* to pick up your child. Please, **DO NOT** send an older sibling to pick up your Preschooler – (**they will not be released**). This is a security measure.

Preschoolers play zone time will now be at 10:30 AM for 15 minutes, this change has been made to reduce the amount of confusion at pick up time.

Thank you for your cooperation.
